

A 3D architectural rendering of a modern building facade. The building features large glass windows and doors, with a blue sky and greenery in the background. The rendering is presented in a 3x3 grid format, with each cell showing a different view or detail of the building. The top row shows the building from a distance, the middle row shows close-up details of the facade, and the bottom row shows the building from a different angle. The overall style is clean and professional, with a focus on the building's design and materials.
